How it works

- 1 Message Maryann**
Tell Maryann the occasion, the rough dates, where guests are coming from and a budget range.
- 2 Consultation call**
You agree the scope together, and Maryann confirms the package, any add-ons and your final fee in writing.
- 3 Deposit and planning**
Once the deposit is paid, Maryann researches, compares and sends you options to approve.
- 4 Bookings and confirmations**
Approved bookings are made and confirmations reach you and each guest.
- 5 You just show up**
Maryann stays reachable across the dates in your package.

Payment

- The Proposal: 50% to begin and 50% when your plan and proposal-day timeline are delivered.
- Guest Travel: 50% to begin and 50% when the guest itinerary is issued.
- The Whole Event: 50% to begin and 50% when the work is complete and your final plan is delivered.
- Planning fees cover Maryann's time and expertise only. Flights, hotels, venues, transfers, activities and government visa fees are paid by you directly to each supplier.
- No hidden commission is added to anything you pay a supplier. If a supplier offers Maryann a commission, she will tell you.
- Rush add-ons are 30% of the base fee only. Other add-ons stay at their normal price and are not increased.
- Discount codes, when offered, take a percentage off the planning fee only. Flights, stays, venues, transfers and other supplier costs are never discounted. One code per booking.

Changes and cancellations

- You can cancel before the consultation call for a full refund.
- You have a 14-day right to cancel. If you ask Maryann to begin work during this period and your consultation has already taken place, the 50% upfront payment may be non-refundable, to the extent permitted by applicable law.
- After those 14 days, fees already paid cover the work completed and are not refundable.
- Supplier cancellation terms, change fees and fare differences are set by each supplier and paid by the traveller.
- Cancellations covered (The Whole Event) means Maryann handles the rebooking whenever an individual booking falls through, as part of the package and with no extra fee for the work. Any new fares or penalties are paid by the traveller.
- Mass disruption: widespread airline cancellations, strikes or supplier insolvency affecting the wider itinerary are managed at an emergency rate of €75 per hour. The work is confirmed with you, or the lead contact, before it begins and billed in 30-minute increments.
- Nothing in these terms affects your statutory consumer rights.

Visa guidance

- UK and Schengen visitor visas only, offered as a separate document-checking and administrative support service with its own fee. This service is not immigration advice, and Maison Eniola does not represent you to any government or consulate.
- The service fee is paid in full upfront and is separate from the government application fee. Visa decisions rest entirely with consular officers, so the fee is not refunded because of a refusal, a policy change or processing delays.
- If you cancel before Maryann begins reviewing your documents, the fee is refunded in full. If you ask her to begin within your 14-day cancellation period and then cancel, you pay only for the work already done.
- Nothing in these terms affects your statutory consumer rights.

Prices valid from 1 October 2026. Flights, hotels, and venues are paid by you directly to each supplier. GBP and USD figures are guides converted from EUR and rounded; invoices are issued in EUR unless agreed otherwise.
